

Academic Risk Alert System · VNU-IS

1. Log in

The diagram illustrates a sequence of steps or components in a process. It begins with a header section containing two rounded rectangles. Below this, there are three horizontal bars of decreasing length. This is followed by a large rectangle, a small bar, another large rectangle, a small bar, a large dark grey rectangle, and finally a long bar at the bottom.

[illegible][illegible]

3. Dashboard

The wireframe illustrates a web page layout with the following components:

- Header:** A horizontal bar at the top containing a logo placeholder on the left, followed by four navigation menu items (three rounded rectangles and one square).
- Main Content Area:**
 - Left Sidebar:** A vertical column on the left containing five rectangular items of varying heights.
 - Right Section:**
 - Main Content Block:** A large rectangular area containing a horizontal bar, a small square, and a rectangular placeholder.
 - Right-hand Block:** A smaller rectangular area containing a horizontal bar, two small squares, two rounded rectangles, and two horizontal lines.
- Footer:** A horizontal bar at the bottom containing a long horizontal bar, a small square, two rounded rectangles, and a small square, all separated by horizontal lines.

4. Students

The image is a grayscale wireframe of a web page layout. It features a top navigation bar with a logo on the left and five menu items on the right. Below the navigation bar is a main content area. On the left side of the main content area, there is a vertical list of five items, each represented by a rectangular box. To the right of this list is a large rectangular area, likely a header or a main content block. Below this large area is a table with three rows and two columns. The table contains various shapes and colors, including gray, white, and black, which are used to represent different elements or data points. The overall design is clean and modern, with a focus on layout and structure.

5. Student detail

The image displays three wireframe panels illustrating a design process. The first panel shows a basic layout with a header bar, a main content area, and a footer bar. The second panel adds more detail, including a sidebar, a main content area, and a footer bar. The third panel shows a more refined layout with a header bar, a main content area, and a footer bar. The panels are arranged horizontally, showing the progression of the design process from a simple sketch to a more detailed wireframe.

A diagram of a horizontal bar chart. The chart consists of several horizontal bars of different lengths and colors (gray, white, light blue, dark blue). The bars are arranged in a sequence, with some bars having small rectangular blocks or circles attached to their ends. The chart is set against a background of horizontal lines.
